Denver

Greetings in the name of our Lord Jesus Christ.

The purpose of this letter is to kindly confirm to you that Angeles Children Home operates under the umbrella of the Archdiocesan Catholic Secretariat, Social and Development Coordinating Office.

Our secretariat, through our Social and Development wing, has been closely involved with the activities of Angeles Children's Home. The Home has been providing care and support, education, love and psychosocial support for the children who were leading a difficult life in the streets of Addis & taken from Mother Tereza center (Missionaries of Charity Sisters.)

The activities being undertaken by the Angeles Children Home are fully in compliance with the social teachings of the Catholic Church as well as the requirement set by the government.

We, therefore, strongly support the effort of Angeles Children's Home and would very much appreciate any possible financial (all possible forms of support) be extended towards the noble intervention, being undertaken by the Home.

We thank you in advance for your kind cooperation and keep you in our prayer.

With best regards.
